

Music Only Tickets Terms & Conditions

Music Only Tickets are only available by emailing Meredith@edenfestival.co.uk and requesting them.

Before contacting Meredith, please read the T&C's of purchase of these tickets below:

Music Only Tickets cost £30 + booking fee, they provide access to the festival for the enjoyment of the music only.

Music Only ticket holders will only have access to M.O. Designated Areas near each stage where each musical performance can be heard.

Music Only Ticket holders must wear a blindfold and be led by an Eden Steward at all times.

The Eden Steward will lead the Music Only Ticket holder to any M.O. Designated Areas of their choosing where a musical performance is occurring, where the ticket holder must continue to wear a blindfold at all times but may listen to and enjoy the music.

Where the musical performance is occurring inside a marquee, the M.O. Designated area will not be inside the marquee or under any form of cover.

Dancing will not be permitted for Music Only Ticket Holders wearing a blindfold due to the Health and Safety issues arising when sighted persons are dancing blindfold in a crowd of other sighted people who are also dancing and wearing blindfolds. An additional blindfold removal pass of £50 will be available to those who wish to enjoy the visual elements of the festival (and dancing!) and ensure the costs of our impressive visual display are covered.

The M.O. ticket will not give you access to any of the camping fields.
